RE: Indictment on case # 1-18-cr-00505-001 THE UNITED STATES OF AMERICA v.
KENNETH CRAWFORD, JR

Dear William,

Please take notice of the attached instruments that I have sent to you privately for the purpose of bonding the above case docket #. I am the true creditor of this and any action in commerce through the exemption based on Joint Resolution 192, 48 Stat. 112. That is the law passed by Congress in 1933 which abrogated the Gold Standard and formally required that obligations of the United States would be exchanged by the Department of the Treasury by gold or silver coins of the same denomination, and replaced it with the current standard which provides that obligations "shall be discharged upon payment, dollar for dollar, in any coin or currency which at time of payment is legal tender for public and private debts." (31 USC 5118 (a),(d)2).

The law, which was affirmed as constitutional by the U.S. Supreme Court in *Norman v. Baltimore & O. R. Co.*, 294 U.S. 240 (U.S. 1935), effectively permits U.S. currency to "float" with the exchange rates of other nations, because the currency is valued whatever someone is willing to pay for it, either in other currency or in goods or service. As the result of there being no lawful money to pay my debts, I now as a child of God, Man, and one of the People of New Jersey have a credit exemption for all debts. I have no problem whatsoever extending any amount of credit or commercial energy to the United States and it's subsidiaries. Therefore I have attached a payment bond STANDARD FORM 25A, a performance bond STANDARD FORM 25, and the bid bond STANDARD FORM 24.

Since I do not have access to the Docket accounting I do not know what the actual value is for the case so I used my best guess. I selected JOHN NOEL KANE as the surety as he brought the charges against the DEFENDANT and dishonored DEFENDANT by not bonding the case. However I do realize that 99% of the People don't understand what's really going on in a court proceeding and go into commercial dishonor so that dishonor is what normally bonds the case. I am definitely not an expert on this subject but from my research I believe that I'm pretty close. It is my intention to be honorable every step of this process.

I am requesting that you use these Bonds to bond this case and also provide the tax information necessary for me to file a 1099 OID as required. It would be great if you could send me the accounting of the docket and the courts TIN number.

I thank you in advance for your professionalism and courtesy and kindly request that you contact me through the above Notary if you require anything else to fulfill my intention as I have conveyed in this document.

Sincerely,

A handwritten signature in cursive script that reads "Kenneth Paul Jr. Crawford". The signature is written in dark ink and is positioned above the printed name.

Violating any of the foregoing conditions of release may result in the immediate issuance of a warrant for your arrest, a revocation of your release, an order of detention, a forfeiture of any bond, and a prosecution for contempt of court and could result in imprisonment, a fine, or both.

While on release, if you commit a federal felony offense the punishment is an additional prison term of not more than ten years and for a federal misdemeanor offense the punishment is an additional prison term of not more than one year. This sentence will be consecutive (*i.e.*, in addition to) to any other sentence you receive.

It is a crime punishable by up to ten years in prison, and a \$250,000 fine, or both, to: obstruct a criminal investigation; tamper with a witness, victim, or informant; retaliate or attempt to retaliate against a witness, victim, or informant; or intimidate or attempt to intimidate a witness, victim, juror, informant, or officer of the court. The penalties for tampering, retaliation, or intimidation are significantly more serious if they involve a killing or attempted killing.

If, after release, you knowingly fail to appear as the conditions of release require, or to surrender to serve a sentence, you may be prosecuted for failing to appear or surrender and additional punishment may be imposed. If you are convicted of:

- (1) an offense punishable by death, life imprisonment, or imprisonment for a term of fifteen years or more – you will be fined not more than \$250,000 or imprisoned for not more than 10 years, or both;

INSTRUCTIONS

1. This form, for the protection of persons supplying labor and material, is used when a payment bond is required under 40 USC Chapter 31, Subchapter III, Bonds. Any deviation from this form will require the written approval of the Administrator of General Services.
2. Insert the full legal name and business address of the Principal in the space designated "Principal" on the face of the form. An authorized person shall sign the bond. Any person signing in a representative capacity (e.g., an attorney-in-fact) must furnish evidence of authority if that representative is not a member of the firm, partnership, or joint venture, or an officer of the corporation involved.
3. (a) Corporations executing the bond as sureties must appear on the Department of the Treasury's list of approved sureties and must act within the limitations listed therein. The value put into the LIABILITY LIMIT block is the penal sum (i.e., the face value) of the bond, unless a co-surety arrangement is proposed.
 (b) When multiple corporate sureties are involved, their names and addresses shall appear in the spaces (Surety A, Surety B, etc.) headed "CORPORATE SURETY(IES)." In the space designated "SURETY(IES)" on the face of the form, insert only the letter identifier corresponding to each of the sureties. Moreover, when co-surety arrangements exist, the parties may allocate their respective limitations of liability under the bonds, provided that the sum total of their liability equals 100% of the bond penal sum.
 (c) When individual sureties are involved, a completed Affidavit of Individual Surety (Standard Form 28) for each individual surety shall accompany the bond. The Government may require the surety to furnish additional substantiating information concerning its financial capability.
4. Corporations executing the bond shall affix their corporate seals. Individuals shall execute the bond opposite the words "Corporate Seal", and shall affix an adhesive seal if executed in Maine, New Hampshire, or any other jurisdiction requiring adhesive seals.
5. Type the name and title of each person signing this bond in the space provided.

However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN.
